

Zayn Malik - There You Are

Tom: E

Only you know me the way you know me
 Only you forgive me when I'm sorry
 Need you when I'm broken
 When I'm fixed
 Need you when I'm well
 And when I'm sick
 Friends that I rely on
 Don't come through
 They run like the river
 But not you
 Can't see when I'm falling
 Losing myself, but then I hear you calling
 There you are, there you are
 You're there with open arms
 There you are, there you are
 And I run
 Whispers in the background
 Behind closed doors
 I got myself in a mess and
 Without you I'm in more
 Oh, I'm a little drunk now
 That's why I went to war

Oh yeah, you are my sober
 When I'm on the floor
 Can't see when I'm falling
 Losing myself, but then I hear you calling
 There you are, there you are
 You're there with open arms
 There you are, there you are
 And I run
 Only you know me the way you know me
 Only you forgive me when I'm sorry
 Even when I messed it up
 There you are
 Need you when I'm hot
 And when I'm cold
 Need you when I'm young
 When I'm old
 You won't be far
 There you are, there you are
 You're there with open arms
 There you are, there you are
 And I run
 Only you know me the way you know me
 Only you forgive me when I'm sorry
 Even when I messed it up
 There you are
