Intro: Gbm A G

[Primeira Parte]

I can taste it on your mouth and I can't leave it  
 You're a freak like me, can't you see?  
 We can work this something out and I'm believing'  
 You get off on me, it's like cheating

[Refrão]

I, I, I, I just wanna watch you when you take it off  
 Take off all your makeup, baby take it off  
 I just wanna watch you when you take it off  
 Take off all your clothes and watch you take them off

Take it off, take it off, Baby just take it off  
 Take it off, take it off, Baby just take it off

[Segunda Parte]

Push me up against the wall, don't take it easy  
 You like it hard like me, it's what you need  
 Let's get naked and explore our inner secrets  
 For what it is, it's what it is

[Refrão]

I, I, I, I just wanna watch you when you take it off

Take off all your makeup, baby take it off  
 I just wanna watch you when you take it off  
 Take off all your clothes and watch you take them off

 Take it off, take it off, Baby just take it off, Take it off,  
 take it off, Baby just take it off  
 Take it off, take it off, Baby just take it off  
 Take it off, take it off, Baby just take it off

I just can't wait to see it all  
 I'm so turned on and it's all mine  
 I just can't wait to see it all  
 I'm so turned on
