Dm7 **G7**
 When the world was ending
E **E7** **Am**
 I'd hold you in my arms
Dm7 **G7** **C**
 And we talked about the places we'd never been
Dm7 **G7**
 When the world was ending
E **E7** **Am**
 We'd hold on to the past
Dm7 **G7** **C**
 ?Cause it's all we thought that we would ever see
F **G** **Am**
 But then the Sun came right back
Fm7 **G**
 And the birds sang as if nothing had happened

C **Dm7**
 And, it's alright, it's ok
Am **F**
 We will get, another day
Am **G** **F** **G**
 To begin again, to begin again, to begin again
C **Dm7**
 I don't know how, I don't know why
Am **F**
 But I know that I will try
Am **G** **Gb**
 To begin again, to begin again, to begin
F **G**
 To live and love and breathe again

Dm7 **G7**
 When the world was ending
E **E7** **Am**
 We looked up at the sky
Dm7 **G7** **C**
 And we talked about the last song that we'd play
Dm7 **G7**
 So far from comprehending

They'd lift us to the stars
Dm7 **G7** **C**
 Never seen each other from so far away
F **G** **Am**
 But then the Sun came right back
Fm7 **G**
 And the kids played as if nothing had happened

C **Dm7**
 And, it's alright, it's ok
Am **F**
 We will get, another day
Am **G** **F** **G**
 To begin again, to begin again, to begin again
C **Dm7**
 I don't know how, I don't know why
Am **F**
 But I know that I will try
Am **G** **Gb**
 To begin again, to begin again, to begin
F **G**
 To live and love and breathe again

Am **Am7** **Fm7** **G**
 And cry because I'm happy
Am **Am7** **Fm7** **G**
 And hold my friends like long lost lovers
Am **Am7** **Fm7** **G**
 Be kind to me and love each other
Am **Fm7** **G**
 The world keeps spinning on
C
 It's alright, it's ok
Am **F**
 We will get another day
Am **G** **F2** **G**
 (Ooh, Ooh, Ooh, Ooh, Ooh)
C **Dm7**
 I don't know how, I don't know when
