

Zé Catimba - Doce de Amendoim

tom:

Intro: Gbm Abm7 Db7
Gbm Abm7 Db7

É a branca mais negra do mundo
E no mundo bonito da negra

Adoro seu disco dourado
Se me basta não me chega

Divina emoção de um gol
Quando o povão se levanta
Muito mais emocionante

Db7 Gbm
Minha preta minha branca

Abm7 Db7 Gbm
Além do mais é tão bonita tão ternura

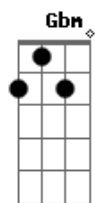

É paixão que não tem cura
E para em forma de paz

Bm Db7 Gbm
E é pra mim moqueca apimentada

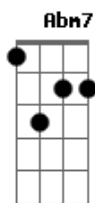

Cachaça e cervagem gelada
Doce de amendoim

E é pra mim
