

Zé Ketí - Malvadeza Durão

Tom: G

Mais um malandro fechou o paletó
 Eu tive dó, eu tive dó
 Quatro velas acesas em cima de uma mesa
 E uma subscrição para ser enterrado
 Morreu Malvadeza Durão

Valente, mas muito considerado
 Céu estrelado, lua prateada
 Muitos sambas, grandes batucadas
 O morro estava em festa quando alguém caiu
 Com a mão no coração, sorriu
 Morreu Malvadeza Durão
 E o criminoso ninguém viu
