

Zeca Pagodinho - Alo Mundo

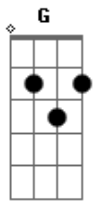

tom:

Intro: D Em Gbm E7 Em7

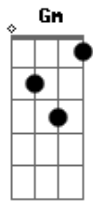

Alô mundo, olha eu aqui
 Sou alguém, e isso desde que eu nasci
 Porém sei lá, cansei de perguntar
 Cadê papai, mamãe, não sei onde andarã
 Nem conheci, pois me deixaram pequenino
 Entregue a própria sorte do destino
 E assim, hoje eu sou menor abandonado
 O espelho vivo o resultado
 De mais um problema social

G7M G F Gbm7 Bm
 Por ser meu ser, uma agitação de corpo e alma
 De todos os dramas, e todos os traumas
 Dizem que sou a causa principal
 Faz assim comigo não, necessito de atenção
 Me dê a mão, não me trate diferente
 Alô mundo, me ajude a ser gente
 Pois no fundo sou uma criança inocente
 Faz assim comigo não, necessito de atenção
 Me dê a mão, não me trate diferente
 Alô mundo, me ajude a ser gente
 Pois no fundo sou uma criança inocente
