A lua !

Quando clareia o terreiro, em forma de pandeiro

O samba brasileiro fica mais bonito

A voz.....do partideiro

Vai.....ao infinito

Há sempre uma história a contar

Pro povo que veio de lá.....de além mar

É uma voz que não se cala

Que superou a senzala e conseguiu se libertar

É uma voz que não se cala

Que superou a senzala e conseguiu se libertar

Os astros têm influência no samba

Clareia a mente de um bamba que cultiva a inspiração

Lua de Ogum

Não deixe em momento algum, meu samba na escuridão

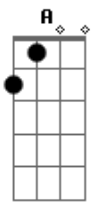

Clareia meus acordes musicais

Ou será que a lua.....de São Jorge não é mais

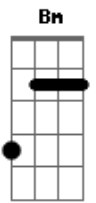

Clareia meus acordes musicais

A lua !..
