

Zeca Pagodinho - O Samba Nunca Foi de Arruaça

tom: Gb

O samba, nunca foi de arruaça

Quem sabe é carlos cachaça, testemunha ocular

Ele viu nos tempos de menino

Com Cartola e Marcelino coisas de fazer chorar

Existia um certo preconceito

Que nos tirava o direito de sambar com liberdade

Mas apesar do preconceito, o sucesso era perfeito

Quando o samba ia pra cidade

Certos sambistas de agora

Não sabem que outrora, o samba sofreu

O samba sofreu

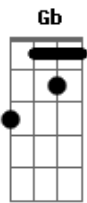

Desconhecem o passado que lhe deu o apogeu

Dizem que pagode é moda, o samba de roda, o partido alto

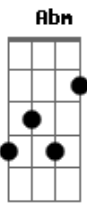

Mas isso já vem da antiga

A onda de briga é coisa do asfalto
