

# Zedd - Beautiful Now

Tom: D

I see what you're wearing, there's nothing beneath it

Forgive me for staring, forgive me for breathing

We might not know why, we might not know how

But baby, tonight, we're beautiful now

We're beautiful now  
We're beautiful now

We might not know why, we might not know how

But baby, tonight, we're beautiful now

We'll light up the sky, we'll open the clouds

Cause baby, tonight, we're beautiful now, we're beautiful

( G D Bm A )

Wherever it's going, I'm gonna chase it

What's left of this moment, I'm not gonna waste it

Stranded together, our worlds have collided

This won't be forever, so why try to fight it?

We're beautiful now  
We're beautiful now

We might not know why, we might not know how

But baby, tonight, we're beautiful now

We'll light up the sky, we'll open the clouds

Cause baby, tonight, we're beautiful now, we're beautiful

( G D Bm A )

Let's live tonight like fireflies

And one by one light up the sky

We disappear and pass the crown

You're beautiful, you're beautiful

We're beautiful now  
We're beautiful now

We're beautiful now  
We're beautiful now

We're beautiful now  
We're beautiful now

We're beautiful now  
We're beautiful
