

# Zélia Duncan - Haja

Tom: A  
Intro: E B Dbm7 A

E B Dbm7 A  
Difícil conjugar a vida  
separar cicatriz de ferida  
e engolir o comprimido do tempo  
que alguém nos enfiou goela a dentro

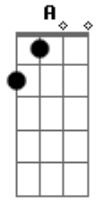

E B Dbm7 A  
Haja Deus pra tanto mistério  
Filhos teus histéricos  
Dão voltas pelo mundo redondo  
Pronto para nos confundir

Gbm Abm

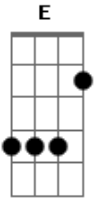

E nós, bando de tantos tontos  
Rodando aos trancos por aí  
haja teto pra tanto desabrigo  
haja palavra pro que eu não digo  
haja istinto e haja saída  
pra tanto labirinto

OBS: E e B na 7 casa.
