

Zélia Duncan - Haja

Tom: A
Intro: E B Dbm7 A

E B Dbm7 A
Difícil conjugar a vida
separar cicatriz de ferida
e engolir o comprimido do tempo
que alguém nos enfiou goela a dentro

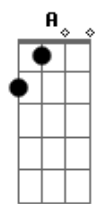

E B Dbm7 A
Haja Deus pra tanto mistério
Filhos teus histéricos
Dão voltas pelo mundo redondo
Pronto para nos confundir

Gbm Abm

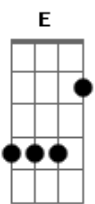

E nós, bando de tantos tontos
Rodando aos trancos por aí
haja teto pra tanto desabrigo
haja palavra pro que eu não digo
haja istinto e haja saída
pra tanto labirinto

OBS: E e B na 7 casa.
