

Zélia Duncan - Se Um Dia Me Quiseres

Tom: E

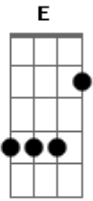

Se um dia me quiseres te darei
 o tesouro dos czares,
 mil flores em jarras aos pares.
 De dia sorrisos solares
 à noite um céu de celulares
 sarongs de bali saias sáris
 a adrenalina dos safáris.

Se um dia me quiseres te darei
 o mapa dos pomares,
 veredas, sertões e seus luares,

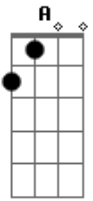

suores do sol e o sal dos mares
 arco-íris e ouro de avatares,
 rumores e rimas estelares
 e asas de lata pra voares.

Se um dia me quiseres te darei
 meus melhores olhares
 Com a vida farei malabares
 aos olhos de deus milenares.
 E mesmo que a dor varra os ares
 como aviões longe dos hangares
 te darei prazer apesar dos pesares.
