

# Zélia Duncan - Toda Vez

Tom: C

(intro) F

F G  
Meu coração, toda vez que te vê

Bb F  
Quer gritar, se arriscar

Sair cantando

F G  
Me delatando pra todo mundo

Bb F F7  
Pensa que está fora de alcance

E vai me anunciando

Bbm F7

Quando leve você passa

Dm G7 Bb

Me entregando assim, de graça

F  
Nesse estado inevitável da paixão

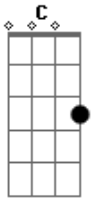

C Bb  
Mas fecho os olhos então

C Bb  
E ele fica mudo

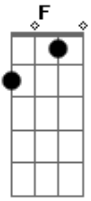

F A  
Meu escuro é meu escudo

Bb Bbm F  
E silencioso é meu coração
