[Primeira Parte]

**G** **Bm** **C** **G**  
 Blood on the mattress, sweat on the ceiling  
**G** **Bm** **C** **G**  
 Shadows are dancing all across the wall  
**G** **Bm** **C** **G**  
 They call that hashin' out the passion  
**G** **Bm** **C** **G**  
 Tie me up, t-t-tear me apart

[Refrão]

**G** **Em** **C** **G**  
 And I got tossed in the tide of your rose  
**G** **Em** **C** **G**  
 Well, under the night, you were mine, I was yours

[Segunda Parte]

**G** **Bm** **C** **G**  
 Let the parade run over and over  
**G** **Bm** **C** **G**  
 And watch the town drunk try to get sober

**G** **Bm** **C** **G**  
 Yeah, watch the town run everyone over  
**G** **Bm** **C** **G**  
 We gave our money up to the rotten order

[Refrão]

**G** **Em** **C** **G**  
 And I got tossed in the tide of your rose  
**G** **Em** **C** **G**  
 Well, under the night, you were mine, I was yours

[Ponte]

**Am** **D** **G** **Em** **G**  
 Watching you come undone in the backseat, rubbing my eyes  
**Am** **Bm** **Em** **Am**  
 All the light, it shines for you  
**Am** **D** **G** **Em** **Am**  
 Spending all my time in a bed between your thighs  
**Am** **D**  
 Don't think I'll ever be through with you

[Refrão]

**G** **Em** **C** **G**  
 And I got tossed in the tide of your rose  
**G** **Em** **C** **G**  
 Well, under the night, you were mine, I was yours
