

Zendaya - Finding Neverland

Tom: D

D G A
Whenever I was frightened Or ever felt alone

G A D
I turned to the night sky And a star I call my own

Bm G A
Somewhere I could run to Just across the Milky Way

D G A
If you like I could take you It's just a light-year and a day

G D Bm A
We can sail away tonight On a sea of pure moonlight

A G D Bm
We can navigate the stars Bring us back home

A G
In a place so far away We'll be young that's how we'll stay

G D A
Every wish is a command When we find ourselves in Never

C G D
Never land

D G A
Through all my make-believe There's some reality

D G A
In your reflection There's much more than you see

G A Bm
All that you hope for You hope for today

D G A
Is the love someone gives you In an unconditional way

G D Bm A
We can sail away tonight On a sea of pure moonlight

A G D Bm
We can navigate the stars Bring us back home

A G
In a place so far away We'll be young that's how we'll stay

G D Bm A G
And with your hand in my hand I am closer now

G D Bm A G
To finding Never Land

G D Bm A G
And with your hand in my hand I am closer now

D
To finding Never Land Never Land Never Land
