

# Zepet - You Think You Don't Like Me

tom:

Intro: F E Am F E Am  
F E Am E

[Primeira Parte]

Some say that the weather won't be that great  
But too late, I've already made my plans to stay  
So hey, let's make the best of it and get to playing

[Refrão]

'Cause I know you think you don't like me  
But that's where I just don't agree  
I made my decision  
With my supervision  
You're gonna fall in love with me

[Segunda Parte]

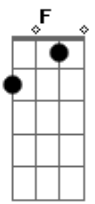

Some say that love comes and goes just like that  
And I don't know this to be for a fact  
But hey, let's wait here until it comes back

I could wait here forever  
Wait here forever

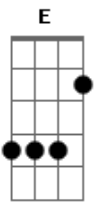

[Refrão]
