^{Dm7} Depois da explosão se o mistério a visão consentir

^{Fm7} Nova raça verá ressurgir

Do milagre dos gens renascer

Quem viver será o embrião imortal da paixão

E o plasma do amor reinará

E o segredo de Deus se desvendará

Sobre esse chão

Ouve o cantar da Jandaia
E a voz da araponga que grita tão gaia

É a força da vida que vai no ar

É o luar que nas águas desmaia

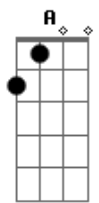

É a espuma rendando a beira da pria

É uma vela no dia à navegar

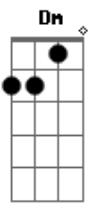

São as nuvens no céu

É a luz da manhã a anunciar
