

Zezé Motta - Anunciação

tom:

Intro: A C Gb Eb Db G F A7

Depois da explosão se o mistério a visão consentir

Nova raça verá ressurgir

Do milagre dos gens renascer

Quem viver será o embrião imortal da paixão

E o plasma do amor reinará

E o segredo de Deus se desvendará

Eb7 D Em F D
Sobre esse chão

Ouve o cantar da Jandaia
E a voz da araponga que grita tão gaia

É a força da vida que vai no ar

É o luar que nas águas desmaia

É a espuma rendando a beira da pria

É uma vela no dia à navegar

São as nuvens no céu

É a luz da manhã a anunciar
