

Ziggy Alberts - Gone (The Pocahontas Song)

Tom: E

(forma dos acordes no tom de G)

Capostrate na 9ª casa

Intro:

[Verse]

and I watch as the sun goes down...

she grabbed me closer so I said...

[Chorus]

Gone, gone as the daylight comes, and i'll probably never see her again

Gone, gone as the daylight comes, and i'll probably never see her again

Gone, gone as the daylight comes, and i'll probably never see her again

Gone, gone as the daylight comes, and well, i'm falling in

love and i won't pretend

[Verse]

it's just a fling but that's the thing...

she grabbed me closer so I said...

[Chorus]

Gone, gone as the daylight comes, and i'll probably never see her again

Gone, gone as the daylight comes, and i'll probably never see her again

Gone, gone as the daylight comes, and i'll probably never see her again

Gone, gone as the daylight comes, and well, i'm falling in love and i won't pretend

[Outro]
