

Zimbra - Sinais

Tom: A

Intro: A A

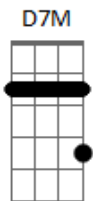

É, por mim ta bom
 Não vou tentar de novo
 Eu já cansei de respirar
 Por algum outro
 Eu não quero mais fingir
 Que não sabia
 Que eu podia terminar
 Com tudo de novo

Na verdade é saudade
 Que eu não sinto mais
 Recolhe os cacos que eu deixei
 jogados pelo chão
 Refrão:
 Sinais de vida a sós
 É o que você tem pra oferecer
 descaso mato o seu futuro e o seu passado
 Antes que eles matem a nós dois
 E a gente se vê depois
