

Zimbra - Sinais

Tom: A

Intro: A A

É, por mim ta bom

Não vou tentar de novo

Eu já cansei de respirar

Por algum outro

Eu não quero mais fingir

Que não sabia

Que eu podia terminar

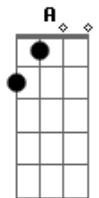

Com tudo de novo

Na verdade é saudade
 Que eu não sinto mais
 Recolhe os cacos que eu deixei
 jogados pelo chão

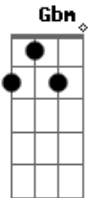

Refrão:

Sinais de vida a sós
 É o que você tem pra oferecer
 descaso mato o seu futuro e o seu passado
 Antes que eles matem a nós dois
 E a gente se vê depois
