Tom: F

**F7**  
Quando aos teus pés  
**Am7**  
O mundo inteiro se curvar  
**F7**  
E os teus maiores sonhos  
**Bb7**  
Você puder olhar  
**A7**  
E ter a decisão  
**Dm7**  
Da vida em tuas mãos  
**Gm7** **Bb**  
É bom se respeitar  
**Bb**

E no silêncio esperar  
A cada sim e não vais conhecer o teu querer  
E mesmo que discreta a intenção aparecer  
Não se espante, não. **A** vida pode surpreender  
E tudo o que era antes pode desaparecer

**F7**  
Não tenha medo não

Ouçã o coração  
**Bb**

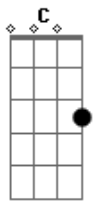

Deseja o sumo bem  
**C**

Coragem pra pensar que

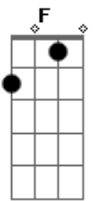

**Bb**  
Deus te leva além

( F Bb C )
