

Zizi Possi - Mais Uma Vez, Mais Uma Vez

tom:

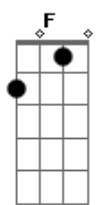

Intro: A7M D ^G A7M F C7M C

^{G7M}
Falando de amor, mais uma vez, mais uma vez
^{C7M}
Esqueço aquilo tudo que sabia tão de cor
^{C7M} ^G
Eu não sei de nada, certas horas sei de tudo
^{C7M} ^G
Quando as pessoas se falam, as palavras são escudos
^{F7} ^D
Eu não sei de nada, certas horas sei de tudo
^{F7} ^D ^{Am7} ^C
Quando as pessoas se calam, nascem flores ou muros
^{G7M}
Mas quando a gente se olha
^{G7}
Mesmo por um segundo
^{C7M}

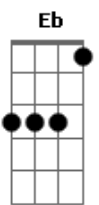

É a coisa mais doce

^G
Que acontece no mundo
^{C7M} ^G
É o amor mais tranqüilo, a lucidez da loucura
^{C7M} ^G
Que nos separa um do outro em permanente tortura
^{F7} ^D
Chegou cedo demais para as nossas desilusões
^{F7} ^D ^F
Chegou perto demais dos nossos corações
^{Dbm7}
É tão forte e sereno
^{Gb7} ^F ^{E7}
Tão sem razão, sem maldade
^{Eb} ^C ^F
De tanto a gente esperar, parece que chegou tarde
^{Dbm7} ^{Gb7} ^F
De tanto a gente evitar, parece que ficou forte
^{E7} ^{Eb} ^C ^{D7} ^{G7M}
De tanto a gente esconder, parece que nunca morre
