

# Zizi Possi - Mais Uma Vez, Mais Uma Vez

tom:

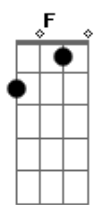

Intro: A7M D <sup>G</sup> A7M F C7M C

<sup>G7M</sup>  
Falando de amor, mais uma vez, mais uma vez  
<sup>C7M</sup>  
Esqueço aquilo tudo que sabia tão de cor  
<sup>C7M</sup> <sup>G</sup>  
Eu não sei de nada, certas horas sei de tudo  
<sup>C7M</sup> <sup>G</sup>  
Quando as pessoas se falam, as palavras são escudos  
<sup>F7</sup> <sup>D</sup>  
Eu não sei de nada, certas horas sei de tudo  
<sup>F7</sup> <sup>D</sup> <sup>Am7</sup> <sup>C</sup>  
Quando as pessoas se calam, nascem flores ou muros  
<sup>G7M</sup>  
Mas quando a gente se olha  
<sup>G7</sup>  
Mesmo por um segundo  
<sup>C7M</sup>

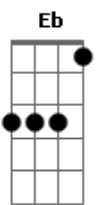

É a coisa mais doce

<sup>G</sup>  
Que acontece no mundo  
<sup>C7M</sup> <sup>G</sup>  
É o amor mais tranqüilo, a lucidez da loucura  
<sup>C7M</sup> <sup>G</sup>  
Que nos separa um do outro em permanente tortura  
<sup>F7</sup> <sup>D</sup>  
Chegou cedo demais para as nossas desilusões  
<sup>F7</sup> <sup>D</sup> <sup>F</sup>  
Chegou perto demais dos nossos corações  
<sup>Dbm7</sup>  
É tão forte e sereno  
<sup>Gb7</sup> <sup>F</sup> <sup>E7</sup>  
Tão sem razão, sem maldade  
<sup>Eb</sup> <sup>C</sup> <sup>F</sup>  
De tanto a gente esperar, parece que chegou tarde  
<sup>Dbm7</sup> <sup>Gb7</sup> <sup>F</sup>  
De tanto a gente evitar, parece que ficou forte  
<sup>E7</sup> <sup>Eb</sup> <sup>C</sup> <sup>D7</sup> <sup>G7M</sup>  
De tanto a gente esconder, parece que nunca morre
