Don?t say don?t say a word A7M D7M  
 I hear, I hear you crying A7M D7M  
 The sun is out the night is gone A7M D7M  
 Don?t say dont say a word A7M D7M

Gbm7 D7M  
 I?ve been here before

And I just need to love myself a little more Gbm7 D7M

Tired of giving everything I have  
 Emptiness takes a lot of space inside my head A7M

A7M  
 All the things you said D7M  
 Everything I told you A7M D7M  
 You took me by the hand and now I have to go A7M D7M  
 It?s not you A7M  
 There is a crack inside D7M  
 And that?s all I fell
