

Zoe Lilly - Tudo Me Leva a Ti

Tom: A

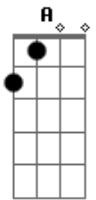

As ruas quebradas me levam para o alto
 O sol que me queima me deixa sedento
 Assim o vento me leva, me leva a Ti

Eu vejo através das grades que me cercam
 Que a liberdade está dentro de mim
 A música me leva, me leva a Ti

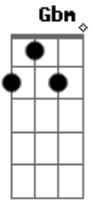

És a canção que nunca pára
 A esperança da alma quebrada
 Tu és o toque aveludado
 A cor que brilha mais que todas

Só isso que importa
 Eu te amo e sou amada
 Tudo me leva a Ti
