

Zolita - Somebody I Fucked Once

tom:

I'm in bed texting girls
 But I'm thinking 'bout you, baby
 I'd hit you up but I'm stuck
 Trying not to come off crazy

If it were up to me
 I'd be calling you mine already
 But I'm in bed texting girls
 Thinking 'bout you, baby

Don't know what to say
 Probably shouldn't tell you this
 But fuck it, here's my confession
 I'm kinda hooked on you
 And in the mood for an obsession
 Yeah you might be someone I could love
 Or you're just somebody I fucked once
 Somebody I fucked once

Second date, kinda hate
 That I have to act like I don't know your life
 In and out from your instagram account
 If it were up to me
 I'd be calling you mine already

But you're not, I forgot
 Did you ask me something? I'm so lost
 Ooh, don't know what to say

Probably shouldn't tell you this
 But fuck it, here's my confession
 I'm kinda hooked on you
 And in the mood for an obsession
 Yeah you might be someone I could love
 Or you're just somebody I fucked once
 Somebody I fucked once

Don't know what to say
 But I better find a way
 'cause I'm honestly not okay
 And the thought that you might be
 Somebody else's girl someday

Probably shouldn't tell you this
 But fuck it, here's my confession
 I'm kinda hooked on you
 And in the mood for an obsession
 Yeah you might be someone I could love
 Or you're just somebody I fucked once
 Somebody I fucked once
