

Zoophobia - The Curse

tom:

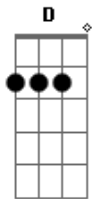

D

I'm getting tired of finding new ways
Bb
To apologize
Bm
To the people that I love
G **A**
Every time I feel paralyzed
Bm **Bm**
It keeps getting harder and harder
Bm **Abm7**
Just to be... Me
G
So I tell all my friends to go find someone else
A
And they all disagree
Bm **Bm**
So don't you try to help me shine
Bm **Abm7**
I'll ruin it all with this bad luck of mine
G **A**
Maybe if I lie once more I believe that
D
I'm fine, I'm fine, I'm fine, it's fine

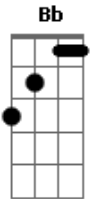

D
I wonder what it's like to walk around the town
Bb
Without checking every corner
Bm
I'm a loner longing to never be alone

Bm **Bm**
It keeps getting harder and harder
Bm **Abm7**
Just to be me
G
So I tell all my friends to go find someone else
A
And they all disagree
Bm **Bm**
I can't stand steady and my breathing's getting heavy
Bm
And my chest is feeling tight Man
Abm7
I'm so not alright
G
I've got no one to blame
A
So please stay away
D
I'll never be free I feel like the curse is me
