

# Zorro - Elena

tom:

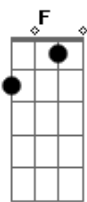

I sing of the lovely Elena  
 A lady so charming and sweet  
 I bring all my songs to Elena  
 And lay out my dreams at her feet  
 I know that your fairs señorita  
 Has lovers who tremble inside  
 They long for a smile from Elena

But no one longs longer than I  
 Her lovers are many so dashing and strong  
 But I'll win Elena with sweet words of song  
 I dream of the lovely Elena  
 I pray she'll soon understand  
 My fade is to love her forever  
 For she holds my heart in her hand
